1	1	17							
1	1	18							
1	1	19			Medical record for Toby	Possible light change when Toby enters			
1	1	20							
1	1	21							
1	1	22			Bucket for Toby (human brain must be planted inside)	Light change after "if you're happy?"	Possible sound for the increased dosage	Projection: "Dosage increase: 50 mg"	
1	1	23			Toby holds out human brain				

The Effect

Technical Analysis

Act	Scene	Page	Costume	Scenic	Properties	Lighting	Sound	Effect	Notes
1	1	24	Tristan has a bag when he enters	Unused, dilapidated recreation area; something that was once much grander. It is later referenced that it's a square yard and there used to be tiny tiles to make a mosaic on the ground.	Cigarette	Moonlight	Echo		
1	1	25							
1	1	26			Cell phone				
1	1	27							
1	1	28							
1	1	29							
1	1	30							Because they talk about the tiles on this page, maybe the floor could be an effect done by projection rather than scenic?
1	1	31							
1	1	32						Smell of cigarette smoke	
1	1	33		MRI machines	Cigarette	-Light change after "go rest your brains." -Light change after, "now I want you to think of something positive."	MRI machine sounds	Projection of 2 brain scans, one reading "Patient 2" the other "Patient 7"	
1	1	34							
1	1	35							
1	1	36			2 pill doses	Light change after, "So with one of them the effect's entirely natural"	A sound to indicate scan's end, resumption of trial protocol be and attendance for dosing.	Projection "Increase in dosage: 100 mg"	
1	1	37		Two separate spaces for Connie and Tristan		Possible spotlights for Tristan and Connie			
1	1	38							
1	1	39		Connie's room	2 cell phones	Light changes for every text message until Tristan and Connie are in the same room	Cell phone text sounds		
1	1	40	They rip off heart rate monitors			-Blackout followed by light up after "That's such a relief" -Blackout followed by lights up after "Just tell me what you're thinking."			
1	1	41				-Blackout followed by light up after Tristan and Connie kiss -Blackout followed by lights up after "It's mine" -Blackout followed by lights up after "Shhhhhhhhhhh"			
1	1	42				-Blackout followed by light up after "No!" -Blackout followed by light up after, "I'm opening a dry cleaners." -Blackout followed by light up after they look at each other, look away, and look back -Blackout followed by light up after "I was happy to be an acceptable failure." -Blackout after "You are."		Projection: "PAUSE EXPERIMENT" after 'I love you'
